

Tutoring Center Tutoring Schedule Fall 2023 **effective 3 September 2023**

Please see the tutors and their tutoring schedules below. They are listed under the subjects and by the specific course numbers they can tutor.

Students have two options for working with face-to-face tutors: drop in or book an appointment at least 24 hours in advance.

NightOWL online tutoring is all drop-in, so appointments aren't possible. As with face-to-face drop-in tutoring, students are helped on a first-come, first-served basis in NightOWL.

To schedule an appointment with a face-to-face tutor, follow these steps:

1. Log in to Starfish.
2. Go to your Courses page.
3. Find the course you would like to work on with a tutor.
4. Click the Schedule Appointment link in The Tutoring Center box next to that course.
5. Follow the steps to select an appointment time and confirm the booking. You will receive an email confirming that your appointment has been booked. The appointment will also show on your Starfish Upcoming page (where you can later cancel it using the three dots if you cannot keep the appointment).

If you did not see any available appointment times in Starfish, we may not have tutors for that class, or the tutor(s) may be completely booked. You may fill out our online Tutor Request Form or email TutoringCenter@morrisville.edu for assistance.
