

Dear Students:

The Tutoring Center begins its services on the first day of classes. Currently, there is no out-of-pocket fee charged to work with our tutors.

During Fall 2022, tutoring will be available in person and online/virtually, by appointment and on a drop-in basis, and one-to-one and in small groups of 2-4 students. Appointments need to be scheduled at least 24 hours in advance and can be booked through Starfish.

This schedule is a work in progress that will go through many updates during the semester. Thus, instead of printing it, please save an electronic copy or bookmark it online. **Changes** made since the previous version of the schedule are **underlined and in bold**. **Yellow highlights** are used to **lessen confusion** about which courses and hours go with which tutor.

This document is organized alphabetically by subjects taught at the Morrisville Campus. Under each subject are listed specific course numbers. Beside those course numbers, the names of the tutors who can help with those course names and numbers are listed. Each tutor has a unique set of days and times when they are available for tutoring appointments. Day of the week abbreviations are as follows: Su for Sunday, M for Monday, T for Tuesday, W for Wednesday, R for Thursday, F for Friday, and Sa for Saturday. If any hours are labeled BAO, they are “by appointment only” and must be scheduled in advance. If tutors are listed as TBA, it means their schedule is not yet available.

Here’s how to use this schedule:

1. Look up the subject of the course you’d like to work on (they are listed alphabetically).
2. Find the number of that course.
3. Look at the names of any tutors paired with that course number.
4. See their days & times, and whether any are BAO (by appointment only).
5. If the hours work for you, book an appointment through Starfish (see instructions on the Tutoring Schedule [webpage](#)) or drop-in, depending on how the hours are labeled. Appointments are needed for virtual/online sessions except for NightOWL online tutoring, which is drop-in only.
6. Don’t see a tutor for your course or can’t find a time that works for you? Please submit a [Tutor Request Form](#).

[NightOWL online tutoring](#) is also available for about ten subjects, as noted with asterisks by those subjects. A drop-in-only service, NightOWL tutors for math and writing are available already and beginning September 4, they will be available for the additional subjects.

Contact us at TutoringCenter@morrisville.edu if you have questions. We look forward to working with you soon! You can also follow us on Facebook (TutoringCenterMorrisville) and Instagram (@sunymorrisvilletutoring).

Sincerely,

Stephanie L. Lawhorne
