**Accreditation Council
for Education in
Nutrition and Dietetics**

 the accrediting agency for the
Academy of Nutrition
and Dietetics

REGISTRATION

COMMISSSION ON DIETETIC REGISTRATION (CDR)

Eligibility requires:

- each student to complete the educational, experiential and examination requirements set forth by the CDR.
- each DTR must maintain their registration through completing continuing professional education as required (50 credits in 5 years)
- each state has its own requirements for licensure and/or certification of RDs and DTRs

CAREER OPPORTUNITIES

“NDTRs work under the supervision of a registered dietitian nutritionists (RDNs) when in direct patient/client nutrition care in practice areas as:

- ▶ **Hospitals**
- ▶ **Clinics**
- ▶ **Nursing homes**
- ▶ **Retirement centers**
- ▶ **Hospices**
- ▶ **Home health-care programs**
- ▶ **Research facilities**

NDTRs conduct patient/client screens, gathering data and performing assigned tasks to assist RDNs in providing medical nutrition therapy.”
